

Age-defying Eye Gel

Brighten the skin around your eyes with this specially formulated eye gel. The Ageless Age-defying Eye Gel smoothes fine lines and wrinkles, promoting elastin and collagen in the eye contour area. Use it morning and night to reduce signs of tiredness and aging.

To use: Gently apply by tapping around eye area with your fourth finger (avoid the lid), until fully absorbed.

Bisabolol

Well known to have anti-irritant, anti-inflammatory and anti-microbial properties, bisabolol is an extract of the chamomile plant and has been used in personal care products for hundreds of years.

Beta Glucan

This excellent nutrient reduces your skin's external moisture loss, protects it from harmful radiation, and helps improve cellular rejuvenation.

Panthenol (Provitamin B5)

This essential vitamin provides deep moisturization and builds skin from within.
