

Refreshing Misting Gel

Tone and balance your skin with this light, hydrating mist. The Ageless Anti-oxidant Misting Gel removes all traces of cleanser and impurities. Use it morning and night to complete your cleansing process and restore your skin's moisture.

To use: Mist onto cleansed face and neck. Allow two minutes for ample hydration prior to using the serum, and follow with the day or night moisturizer.

Aloe Vera

Known best for its soothing and hydrating ability for all skin types, Aloe Vera is a common ingredient in skin care. It contains water, calcium, iron, zinc, magnesium, and potassium and has been hailed for its ability to accelerate tissue repair and encourage normal cell growth.

Allantoin

Allantoin is moisturizing, soothing, and anti-irritating. This excellent skin conditioner and protectant is also known to promote tissue growth.
