

Nourishing Night Gel

Enhance cell renewal while you sleep with this ultra-rich night-time gel. The Ageless Nourishing Night Gel rebuilds collagen and renews your skin's surface. Use it nightly to restore your skin's elasticity—and wake up in the morning with healthy, younger-looking skin.

To use: Apply to face and neck, avoiding eye area. Use wide sweeping motions, concentrating on fine lines and wrinkles.

Use nightly.

Pomegranate Extract

New research has shown that pomegranate may be one of the most naturally potent wrinkle fighters available. That's because it contains extremely high levels of polyphenols, and these powerful antioxidants are proven to stabilize the free radicals that cause the signs of premature aging.

Tocopheryl Acetate (Vitamin E)

This powerful antioxidant helps protect your skin from the harmful effects of free radicals, sun exposure, and other environmental toxins. With powerful emollient properties, it infuses your skin with a supple and smooth glow.

Retinyl Palmitate (Vitamin A)

Independent studies have shown that this nutrient increases collagen, skin thickness, and elasticity. It penetrates deep into your skin to fight wrinkles and exfoliate from within, leaving your skin soft, supple, and youthfully plump.
