

Revitalizing Gel Scrub

Exfoliate and purify your skin with this gentle and effective scrub. The Ageless Gel Scrub removes dead skin cells, allowing your skin to breathe easier. Use it four to five times per week for a smooth and radiant complexion.

To use: Apply a small amount to palm. Gently massage into face and neck in a circular motion, avoiding eye area. Rinse with lukewarm water. Gentle enough to use four to five times per week.

Panthenol (Provitamin B5)

This essential vitamin provides deep moisturization and builds skin from within.

Grape Seed Extract

The natural antioxidants in grape seed extract are said to be 50 times more powerful than vitamin E—and even more effective than beta-carotene. Even better, these nutrients remain in your bloodstream for three full days, releasing high levels of proanthocyanidins to strengthen blood vessels and help improve circulation.

Tocopheryl Acetate (Vitamin E)

This powerful antioxidant helps protect your skin from the harmful effects of free radicals, sun exposure, and other environmental toxins. With powerful emollient properties, it infuses your skin with a supple and smooth glow.
